

MEMORANDUM

TO: ALLEN ROWE
FROM: JOHN LARSEN
SUBJECT: HENRY'S FORK TRIBUTARIES DISTRIBUTION SYSTEM
DATE: APRIL 6, 1993

We have combined the Beaver Creek (64) and the Burnt Fork-Birch Creek (07) distribution systems into one system that will be called the Henry's Fork Tributaries. Will you please delete both of these systems from the distribution data base and replace with the new system. Please number it (64). The calculation for the assessments will still be based upon fixed acreages with a minimum assessment to be \$1.00. It would be helpful if you can make these changes as soon as possible to allow time for our office to prepare and mail the assessment notices before April 30th.

Thank you so much.
